

## School-Based Therapist (FT 32 Hours, 10.5 Months)

### Who we are

Project PAVE provides early intervention and violence prevention programs in the Denver metro area to further our mission of “empowering youth to build healthy relationships”. At PAVE, we integrate our experts in therapeutic support and our passionate team of educators to help our community heal from trauma, develop healthy relationship skills, and feel less isolated. For more information, please visit [projectpave.org](http://projectpave.org).

### What you'll do

As the School-Based Therapist, you will provide therapeutic and advocacy services to clients and families experiencing violence, trauma, and mental health concerns. You will report to the Deputy Director of Programs and Clinical Supervision and work collaboratively with all staff members and volunteers to further PAVE's mission. Key responsibilities are as follows:

- Provide individual, group, and family therapeutic interventions in partner schools
- Provide crisis interventions and advocacy services
- Assist youth and families with access to practical resources, supports, and community services
- Collaborate with parents/guardians, teachers, school administration, community and state resources on a regular basis to effectively assess need and system changes
- Track and document services data on a monthly basis
- Attend weekly individual clinical supervision and monthly group supervision meetings

### What makes you a great candidate for this role

- You strive to live out PAVE's [core values](#): compassion, inclusivity & equity, integrity, collaboration, and innovation
- You have a minimum of a Master's degree and 1 year of experience in counseling, social work, psychology, or other related field
- You have comprehensive knowledge of intervention strategies, marginalized communities, and social change environments
- You have a strong understanding of secondary trauma and self-care
- You have internal motivation and drive, while excelling within a team environment

### Physical demands and work environment

- Office and classroom settings
- Lifting and carrying no more than 20 pounds at a time
- Walking, standing and moving for long periods of time

**What you will receive**

The base salary for this 10.5-month position is \$48,654. Flexible schedule and generous benefits including a 32-hour work week, tenure bonuses, 100% employee health insurance, 100% employee dental insurance, 401K with employer match, paid holidays (including 2 floating holidays and the week off after Christmas), personal time off, and sabbatical leave.

**To apply:** Please submit your resume and a cover letter introducing yourself to [jobs@projectpave.org](mailto:jobs@projectpave.org). Note: *Pre-employment background checks are required.*

*Project PAVE is an Equal Opportunity Employer, drug free workplace, and complies with ADA regulations as applicable. PAVE is working to become a more equitable organization and encourages those from marginalized communities to apply.*
